

## Calculating your UCAS points using the old UCAS Tariff

In September 2017, UCAS introduced an updated Tariff system to calculate UCAS points for new university applicants. While Teach First transitions to the new Tariff, you can use the tables below to convert your qualifications and grades into points using the older system which you would have applied to university with. If you have any questions about how to calculate your UCAS points, please contact [faq@teachfirst.org.uk](mailto:faq@teachfirst.org.uk)
